

THIS WAY FOR LIVE SPORTING HAPPENINGS

EDITED BY WAGNER

BAKER WON'T
GIVE SEATS TO
BOSTON CROWD

Philadelphia, Pa., Oct. 2.—William F. Baker, President of the Phillies, arrived in Philadelphia at noon yesterday from Boston, read over a pile of congratulatory telegrams and left late in the afternoon for New York, where the National Commission will meet to arrange details for the coming World's Series. Baker was asked about the report from Boston that he had refused to reserve 400 seats in the bleachers for the "Boston Royal Rooters" and that Lannin had expressed a determination to take the matter to the National Commission.

"That report is wrong," said Baker. "Here are the facts: When we were in Chicago Mr. Lannin wrote me, asking for 600 seats in the 33 section, and again in Boston, he repeated the request. I told him that the National Commission allowed him 200 tickets, but that I would add another 100 to that number. He said he must have 600 seats, but I turned him down, and though I offered to make up some of the extra ones in the 35 section, that did not suit him, and it seems strange that if 600 persons are willing to pay for seats, hotel bills and incidental expenses they should balk at a couple of dollars more for seats."

"So far as the sale of seats for Philadelphia is concerned, we shall do nothing until next week. When the National Commission is finished we will go ahead."

HARVARD EXPECTS
HARD BATTLE FROM
MASS AGGIES TEAM

Cambridge, Mass., Oct. 2.—Harvard's football work yesterday afternoon was much lighter than earlier in the week. The "Varsity" solved through its plays for today's game with the Massachusetts State College team and working much more open football than was used a week ago.

The lineup will include McMahon, King and Watson, although they have done little playing this week, but the line has been shifted so that Harte will enter the game at left end instead of Coole, and Dabman will be at guard as Duncan will play in place of Cowan, who has a muscle bruise.

The drop kickers had a long session under the direction of Charlie Brickley yesterday afternoon. While the backs were coached by Tommy Campbell of last year's staff, his Bowdoin college eleven was working out in the Stadium in preparation for tomorrow's game with Amherst.

FOOTBALL SEASON COMES TO
SOME IMPORTANT CONTESTSMammoth Speedway Opening Postponed Today
Other Timely Sporting Comment.

New York, Oct. 2.—Football play will start in earnest this afternoon in all sections of the country. Several football colleges and university teams are scheduled to meet on gridirons in games which range from practice tilts to contests in which form upsets and defeats are not unlikely for even the veterans of the best institutions.

Among the eastern games of more than unusual interest are those bringing together Yale and Virginia; Princeton and Rutgers; Brown and Trinity; Harvard and Massachusetts Aggies; West Virginia and Washington and Jefferson; Army and Holy Cross; Navy and Georgetown. In the middle west Minnesota meets North Dakota; Illinois and the Haskell Indian team will engage in a game which will be watched by a large crowd.

On the Pacific Coast and far west the Los Angeles A. C. Oregon Aggies meet Willamette; Colorado faces Wyoming; Idaho tackles Montana; while in the south the principal games include Louisiana State vs. Jefferson; Kentucky vs. Butler; Alabama vs. Howard; Mississippi vs. Arkansas Aggies; Virginia Poly vs. Randolph-Macon and Washington and Lee vs. West Virginia Wesleyan.

A unusual freak baseball play occurred in a recent game between the Athletics and the Cleveland club at Philadelphia. In the second inning with two on Lajoie on third and Healy at bat with two strikes and two balls called, pitcher Garrett made a wild hurl which struck in front of the plate. Healy struck at the bounding ball which hit catcher O'Neill's mask and rolled back on the diamond, while Healy ran for first. Garrett ran in from the box and picking up the ball touched out Lajoie who was trying to score from third, retiring the side. The net result of the play was that Healy had hit with two strikes and two balls called, pitcher Garrett made a wild hurl which struck in front of the plate. Healy struck at the bounding ball which hit catcher O'Neill's mask and rolled back on the diamond, while Healy ran for first. Garrett ran in from the box and picking up the ball touched out Lajoie who was trying to score from third, retiring the side.

The new two-mile speedway at Sheepshead Bay, New York City, was opened this afternoon with a 350 mile auto race in which the leading drivers and the most powerful cars of the country will compete. Preliminary practice spins have resulted in new records and the predictions that the race today will demonstrate that the board track is the fastest in the world. Drivers express the belief that gives the proper weight and track conditions, they can show an average of better than 100 miles per hour for the full distance. A new sporting event attendance record is also considered possible for arrangements have been made to accommodate more than 150,000 spectators.

The Australian lawn tennis championship for 1915 was decided at a tournament held at Brisbane late yesterday.

Rem-Arms Will Play
Yost Team Tomorrow

The series between the Remington-Arms and Yost team will be resumed tomorrow at Yost field. Neal Ball, the former Boston American player, has promised to play with the Yosts if he returns in time from an automobile trip.

In the Yost lineup will be seen Al Odell who has been playing in the Texas league, Jimmy Burns, the former Springfield player and George Mosher, star fielder and leading hitter of the Slinger team in the Industrial league.

While Manager Keenan has been making an effort to build his team and wipe out the sad defeats received from the Yosts team earlier in the season, Manager Hentz has prepared a defense which he believes will make the big leaguers go home. In the Arms lineup will be seen "Jim" Shaw, former star first baseman on Columbus college team, who was prepared to play for the Yosts, and Joe Griffen, former shortstop for Holy Cross and there is another local favorite, "Jack" Tillman, who made a fine showing with the St. Louis American.

The lineup of both teams:
REM-YOST. REM-ARMS.
Berlin..... c..... Corkins
Finn..... p..... Tillman
Ker..... 1b..... Shaw
Ball..... 2nd..... Griffen
Burns..... ss..... Odell
Odell..... 3rd..... Reilly
Hurley..... lf..... Gaudette
Mosher..... cf..... Serrano
White..... rf..... Plura

Benny Leonard Gives
Al Thomas Beating

New York, Oct. 2.—Benny Leonard, the lightweight champion of Harlem, handed Al Thomas a smashing beating in their ten-round set-to in the American Sporting club last night. Leonard completely outclassed his English adversary in a battle which was a veritable knockout several times. In the fourth Benny nearly ended the bout when he crashed a terrific right hook to the Englishman's jaw. Thomas crumpled up in a heap and hit the floor with a thud. At the count of eight the Englishman just barely managed to stagger to his feet.

Leonard continued to mail Thomas in the following rounds, and in the seventh split his lip with a straight left. This was followed by a right to the chin that rocked the Englishman on his heels. The ninth was another bad session for Thomas. Leonard battered him from pillar to post, and the bell was welcome music to him.

B. UNION LABEL HATS U
RY LYFORD BROTHERS USE
Y East Side and West End E
Farmer Want Ads. One Cent a Word.

In August with the following results: F. Gordon Lowe of England defeated Morrice Rice of New South Wales for the Australian singles championship 4-6, 6-1, 6-4. Morrice Rice and C. Todd, the latter of New South Wales defeated F. Gordon Lowe of England and H. St. John of Queensland for the Australian doubles championship at 8-6, 6-4, 7-9, 6-3.

The tournament was otherwise an interstate one between New South Wales and Queensland. The dislocation effect of the war upon tennis, as upon all other sports in the Antipodes, is shown by the fact that A. O'Hara Wood of Victoria, who won the singles championship last season, is the front runner with the Australian troops and did not compete. The doubles winners of last season, A. Campbell and G. Patterson, also did not compete for a similar reason.

The annual national championships of the National Rifle Association will be decided at the Florida state range near Jacksonville beginning one week from next Friday. The leading marks men from all branches of the service and civilian corps will compete, and high scores are expected. Including the matches of the Florida State Rifle Association; The Southern Rifle Association; and the National Association, the tournament will occupy almost the entire month of October, beginning today and continuing until the 25th.

The middle west has added another interesting item to the baseball chronicles of the year with a story of a rabbit which acted as pacemaker for a batter who had driven out a home run. The incident occurred at St. Cloud, Minn., when Thielman of the home team lifted a long hit to center field which started a rabbit hidden in the long grass. This four legged spectator of the game, frightened by the ball, ran toward the field, reaching second base just ahead of Thielman. Touching the bag, the rabbit headed for third and in order to avoid the bleachers turned at that bag and crossing the home plate disappeared under the grand stand. Thielman was right at the rabbit's heels in the race for the plate and was credited with a circuit hit but the scorer refused to give the rabbit a home run, claiming that it had not touched first base.

The season's record of William M. Johnston, the 1915 tennis champion, is being broken by a surprise to the fans, as it has been rumored for years that he desired to quit the game and spend the remainder of his life as a gentleman farmer in Maine. Johnston, who is a rich and productive farm of 20,000 acres. There is a woman in the case, too, for Mrs. Clarke objects to the long absences from home necessitated by his baseball career. This speaks highly for Fred as a family man, for one or two managers could be named whose better halves are only sorry because baseball isn't played the year around. Mrs. Clarke prefers Kansas to the Smoky City as a place of residence, and she is also very fond of her stalwart hubby. So there you are—cherchez la femme, as the French say.

YALE ELEVEN TO
TRY STRAIGHT GAME
AGAINST VIRGINIA

New Haven, Oct. 2.—The chances of a fast game filled with spectacular passing between Yale and the University of Virginia began yesterday when rain began falling at noon and continued last night. It is likely the game will be played in the mud where line plunging will be the only tactic used, and Yale bowl is well drained, however, and coaches hope the Yale defense may be tried out.

A short signal drill, with work for the punters, was held yesterday in the bowl. Several changes were made in the line-up. Taft was sent back to the second team, Smith took Scovill's place at right halfback and Guernsey moved to fullback. Leary did not return in uniform, although his shoulder is better, it was said.

The line-up for today's game will probably be: Left end, Mosher; left tackle, Gates; left guard, Roberts; center, Ward; right guard, J. Sheldon; right tackle, Baldrige; right end, Allen; quarterback, Thompson; left halfback, Wilson; right halfback, Scovill; fullback, Guernsey.

ANNIVERSARIES
OF RING BATTLES

1883—Charlie Mitchell defeated William Sheriff in six rounds at Flushing, N. Y. Mitchell was an Englishman and Sheriff a German, who was generally known as "The Prussian." The bout was with small gloves and was for \$1,000 a side, and was pulled off at Harry Hill's place in the Long Island town. The following year Sheriff was whipped by Jake Kilrain at Cambridge, Mass. Sheriff's notable battle was that fought the following year with a big scrapper known as Welch. They battled at Philadelphia and the contest went 76 rounds, lasting 5 hours, 3 minutes and 45 seconds. This was the longest battle ever fought in America up to that time. In 1890 Danny Needham and Patsy Kerrigan set up a new record of 6 hours and 3 minutes at San Francisco, and in 1892 the world's record was established at New Orleans when Andy Bowen and Jack Burke battled for 7 hours and 19 minutes. Sheriff was the first German to make a reputation in the American ring.

1885—Eddie Hanlon, lightweight boxer, born in San Francisco.

1906—Tommy Burns knocked out Jim Flynn in 16th round at Los Angeles.

The White Star liner Baltic arrived in Liverpool.

LUDERUS TIE
WITH DOYLE IN
BATTING RACE

Chicago, Oct. 2.—Tyrus Cobb, of Detroit, continues to lead the American League batters. Averages published today show the Georgian hitting .368 while Eddie Collins of Chicago, is the runner-up, .33 points behind. Fournier, teammate of Collins, is next with .328. Others who have played in at least half of the games are:

Speaker, Boston, .320, and McInnis, Philadelphia, .316. Cobb continues as the leading run getter with 142, five behind the American League record he made in 1911. In total bases he leads with 265, Sam Crawford, also of Detroit, being a close second with 261.

In stolen bases Cobb, who set a new record for the American League last week, promises to run his total into the century mark. He now has 93 thefts to his credit. Oldring, Philadelphia, and Roth, Cleveland, have tied for second honor with six each. Detroit leads in club batting with .264, Boston is second with .263 and Chicago third with .260.

In the National League, Luderus of Philadelphia, and Doyle, of New York, are tied for first place in batting honors, each with an average of .317. Following are Hinchman, Pittsburgh, .307, Griffith, Cincinnati, .306, and Daubert, Brooklyn, .305.

Cincinnati leads in club batting with .225 and St. Louis is second with .258. New York, with .249, is tied with Brooklyn for third place. Doyle is leading run getter with \$3 to his credit.

Fred Clarke, Pirate
Pilot, Quits Game on
43rd Birthday

Fred Clarke, the veteran pilot of the Pirate craft, will celebrate his forty-third birthday tomorrow, coinciding with his retirement from the game to which he has devoted the greater part of his life. For 16 years Clarke has been general manager of the famous firm of John Henry Warner & Company, which has had few equals in its particular line. During that period he has gained a fame that will ensure for him a permanent niche in the baseball hall of fame. Clarke's baseball income as a surprise to the fans, as it has been rumored for years that he desired to quit the game and spend the remainder of his life as a gentleman farmer in Maine.

When he took charge of the Pirates in 1900 the club finished second, and it won the pennant three consecutive years thereafter, and again in 1908, Clarke's first pennant winning club was composed of Sam Rice, Fred Clarke, J. T. Tamm, Harry Davis, Jack Chesbro, J. Tamm, Harry Davis, Jack Chesbro, J. Tamm, Harry Davis, Jack Chesbro.

In 1892 he landed a better job with Hastings, in the Nebraska League, where he made his professional debut as a pitcher at \$50 per month. He landed the job on the strength of his baseball talent, for the grocer was a fan, and his son, Orville, was the pitcher of a kid nine called the Masco's. The club needed a good second baseman who could hit and throw, and Clarke was the man. He was purchased by Louisville, then in the National League. It was at Louisville that he met his wife, Della, and they were married in 1894. He was twenty-one years ago that he made his first in the main show, and he has been there ever since.

The Norwegian steamer Elizabeth caught fire and sank while anchored off Havre, France. The crew escaped.

General Alexi Kuropatkin has been appointed chief of the Russian Grenadier Corps.

German reservists in Switzerland of the class of 1896 were ordered to return to Germany.

The property damage caused by the recent storm at New Orleans is placed at \$12,000,000.

ATTENDANCE RECORDS MAY BE
SHATTERED IN WORLD'S SERIESOver 200,000 Fans Will Witness Coming Struggle
Between Red Sox and Phillies.

New York, October 2.—New attendance and gate receipt records are not unlikely in the coming World's Series between the Philadelphia Nationals and the Boston Americans. Attendance will depend, of course, upon the length of the series and the amount of interest displayed by the fans of the two pennant winning cities. If the struggle for the championship is close, and continues for six or seven games there is no question that new figures will be established in these departments thus adding greatly to the satisfaction of players and magnates. The selection of the new park of the Boston National League club as the scene of the games to be played in Boston opens the way for greatly increased attendance for the Braves stadium will accommodate fully 50,000 spectators. It is the latest and the largest enclosure devoted to baseball and in offering it to the Red Sox, President Gaffney is but reciprocating the courtesy extended to his club by the President Lannin last season when the Braves played and won the World's Championship in the Boston American League park.

If the Philadelphia Nationals were the possessors of a field with anything like the seating capacity of the Red Sox' temporary home, the attendance figures would in all probability soar above 300,000. Since the Phillies' park will hold but 20,000 after extra stands have been erected the National League representatives will be badly handicapped in their attempt to keep pace with the Boston gate. Should the series go but four games as was the case a year ago the attendance would be 100,000 for Boston and 40,000 for Philadelphia. This total would be a new record for a four game series since the Braves-

Wagner's Watch Tower

President Tener of the National League was called upon to use diplomacy this afternoon when the National Commission met today in New York to arrange for the world's series opening. It is said that Tener personally favors October 8 for the opening but the Phillies want October 9, so Alexander can be used in the first two games by giving him a rest over Sunday. The American leaguers want to start October 8, which will mean Friday and Saturday games in the city which wins the toss and will prevent Alexander from working twice in succession.

President Tener of the National Commission has the job of tossing the coin to see which city gets the choice of the opening date. Regardless of the scheme to use Alexander in the first two games is generally thought a better plan to have the series begin on Friday so the teams could travel to the next city on Sunday instead of having to make a night trip.

The 350 mile auto race for the Astor Cup, which was to have been run at the Sheepshead Bay Speedway today, was officially postponed on account of rain. Definite announcement as to when the race will be held will be made later in the day.

Pennsylvania is expected to play baseball again today. Last year the small collegians defeated Penn by 10 to 0 and the Quakers want to square themselves.

The Royal Rooters of Boston have caused a lot of trouble for baseball magnates in the past. In 1912 when

STOCK MARKET

New York, Oct. 2.—Opening.—Heavy trading in war shares was resumed today. Vestinghouse again loomed into prominence. That stock opened with 6,000 shares at 133 3/4 to 134, against yesterday's final price of 132 7/8, later advancing to 135 3/4. General Motors, which recently disbursed 50 per cent. dividend, rose 10 to 350, and a miscellaneous group of specialties showed gains of 1 to 3 points. United States Steel made further fractional improvement at the outset but reacted. Similar uncertain tendencies were manifested by other industrials. Railways were again virtually eliminated from speculative consideration.

Close interest in today's market centered around a few specialties, mainly those of the war contract variety. Westinghouse, which came forward, trading in yesterday's late operations, claimed the bulk of attention, trading in that issue during the first hour amounting to one third of the whole. At its maximum of 132 1/2 the stock showed a gain of 6 1/2 points. Steel moved uncertainly, falling to equal yesterday's quotation, but sensational gains were recorded by Central Motors, American Car and some obscure industrials. Bethlehem Steel rose 10 to the new high price of 375. Bonds were firm. The closing was strong.

ADVERTISE IN THE FARMER.

YALE CREW TO
ROW COLUMBIA
IN NEW HAVEN

New York, Oct. 2.—Columbia and Yale crews will row this fall in a dual race. This decision was reached yesterday and announcement was made by Jim Rice, coach of the Blue and White oarsmen. The date and place is still to be selected, but it is expected the race will be held at New Haven either on Election Day, Nov. 2, or on Saturday, Nov. 13. On the latter date, the Yale-Princeton football game will be played at New Haven.

Columbia and Yale have not met in a "varsity" crew race in about twenty years and the renewal of rowing relations will be received favorably by the alumni of both institutions. The freshman oarsmen of both universities have competed in the Schuylkill regatta at Philadelphia on several occasions.

Coach Rice will make no attempt to take his crew away from the football field this fall as he believes that the few oarsmen now out for the eleven will be in better condition for the winter work on the rowing machines as a result of their efforts on the gridiron.

Lehigh vs. Carlisle, at South Bethlehem.

Month of Rosary
Observed At All
Catholic Churches

General observance of the Month of the Rosary, October, will be made throughout the diocese in Catholic churches. The "October" devotion will be held daily in all the parish churches of the diocese from October first to November second. The Rosary, the Litany of the Blessed Virgin and the prayer to St. Joseph should be recited at Mass in the morning or during the Exposition of the Blessed Sacrament in the evening.

A partial indulgence of seven years and seven quarantines is granted each day to all who recite five decades of the Rosary publicly or privately and the same indulgence may be gained by those who recite the prayer to St. Joseph after the Rosary.

The Feast of the Holy Rosary has been assigned to the seventh day of October by a decree of the Sacred Congregation of Rites (November 26, 1913) but the solemnity of the feast will still be observed as formerly on the first Sunday of October according to a decree of the same Congregation (October 28, 1913). All the indulgences may be gained by the faithful on Sunday, October 3rd, and during the octave, (Holy Office, June 18, 1912). A plenary indulgence is granted for Rosary Sunday, October 3rd, or for any day during the octave, for those who recite five decades of the Rosary every day during the eight days and fulfill the usual conditions for a plenary indulgence. Another plenary indulgence may be gained on the usual conditions by those who perform the exercises ten times during the rest of the month.

The usual conditions for gaining a plenary indulgence are confession on day within a week before the day of communion, the reception of communion on the prescribed day and prayers for the intention of the Holy Father.

During this season of prayer frequent reception of the sacraments will make our petitions more acceptable to Almighty God.

Knights of Pythias
Grand Lodge Meeting
To Be Held Oct. 19

The Grand Lodge convention of the Knights of Pythias of Connecticut will be held at Bridgeport Tuesday, October 19, beginning at 9 a. m. and, before the meeting of the general convention, that morning on the evening before, October 18, a special convention to confer the honor of the Grand Lodge upon past chancellor.

Sunday evening, October 17, at 8 o'clock the lesson of friendship will be exemplified at the Lyric theatre by member of the lodges of the city. Interesting speakers will be heard. The fraternal dinner will be held at the Stratfield Monday, October 18. The executive headquarters of the Grand Lodge during the convention will be at the Stratfield.

Norwalk Boy Hit
By Banker's Auto

Norwalk, Oct. 2.—No improvement was noted today in the condition of William Mulqueen, aged 9, who was struck last yesterday by an automobile driven by Norman Cora, chauffeur for R. H. Higgins, a banker of 182 Broadway, New York City. The boy was at play on the post road and it is said he darted in front of the machine. The police did not hold Cora as the circumstances seemed to point to an accident which he could not avoid. Cora will come here again if needed. He was taking Miss Higgins, a daughter of the banker, to a private school in Farmington, Conn.

The injured lad is in the Norwalk hospital.
